

Predmet prodaje v naravi predstavlja informacijski sistem kot neopredmeteno osnovno sredstvo, ki deluje kot hibridni sistem (gosti v oblaku in na strežnikih) in ga je prodajalec v obliki izvirne kode razvijal tekom poslovanja. Prodaja se opravi skupaj s strežniško in računalniško opremo, kot opredmetenimi osnovnimi sredstvi.

Programska koda sistema zajema več kot 28.000.000 vrstic izvirne kode brez presledkov. Sistem podpira večkanalno prodajno pokritost, podporo telemarketingu, financam, računovodstvu, povezave podatkov stanja zalog, prevzema blaga, platformo spletne prodaje in integracijo z zalednimi sistemi. Posamezni moduli, ki so zajeti v popisu, niso več aktivni.

Vsa računalniška oprema (pretežno gre za stacionarne in prenosne računalnike ter monitorje) je rabljena.

Strežniška oprema, kot izhaja iz popisa v prilogi, je bila zaradi selitve strežniške sobe, v letu 2024 v pretežnem delu odklopljena in dana v hrambo. Novo strežniško opremo (na kateri je sedaj nameščena programska oprema), je zagotovil najemnik. Strežniška oprema, ki jo je zagotovil najemnik, ni zajeta v popisu in ni predmet prodaje.

Za predmet prodaje je sklenjeno najemno razmerje do 31.10.2026 oz. najdlje do dneva prodaje. Predvideva se, da bo najemno razmerje podaljšano za obdobje enega leta oz. najdlje do dneva prodaje.
